✓ The Amildar reports that the cost of services in the Darga Cases up to Rs 89-13-6, and as Survey and Settlement has not been introduced into the Inam Village, the Shanbhogue's Potgi is calculated according to the old Patte at Rs 26-3-0 per annum— A sum of Rs 296-0-11 is reported to be available as in the Savings Bank at the credit of the Instn, and a sum of Rs 23/- in the Nuzrai Funds.

3 The Dy Commr also recommends the Temporary appointment of Syed Peer Gaib Shah Khadri and Raghavendrappa respectively of the Village until the introduction of Survey and Settlement.

It is said by Pir Gaib Shah Khandi to have hoisted his lamp daily & that he has also incurred expenses for Moharram at Rs. 15-11-2 each year These amounts may be paid to him. It is presumed that the Dy Col has satisfied himself that his expenses have actually been incurred

7 As regards this portion of Shahbaj it seems true that Rs. 26 a year is too high as it amounts to more than 10% of the Jamabandi shown in the list marked A appended to this Memorandum.

8 The Dy Col may be asked to fix a fair rate & submit a separate list.

9 It has also been observed that Rs. 2000 (Rupees two thousand) odd are at the credit of the Institution though the management was assumed many years ago. This should be cleared up & a Dy Col's statement forwarded.

10 The Dy Col may be asked to specify the Shahbaj Patil.

11 Draft letter will be submitted for approval after orders on para 6 of 1908

S i r,

With reference to para 2 of Government order No. 2114-5/M.F.342-11-4 dated the 19th May 1913, stating that early steps should be taken for the recovery of the arrears due from the Ryots in the Inam Village of Kesaramadu in the Tumkur taluk, and requesting to be furnished with a Special report re the progress made in this work etc, I have the honour to state as follows.

The arrears amounted to Rs. 939-13-9 as has been already noted in the Government order quoted above, and out of this Rs. 483-3-9 was collected during the year 1912-13, leaving a balance of Rs. 456-10-0 still to be collected. This pertains to the years 1906-07 and backwards a period of time previous to taking the village under Government management. As the accounts maintained before the Village came under Government management, have not been prepared under proper authority, the Amildar states that proper steps could not be taken for the recovery of the arrears and requests permission to write off this amount as irrecoverable.

Under these circumstances I request that sanction of Government may kindly be obtained for the amount being written off the accounts as per para 2 of Government Proceedings No. R. 3453-61/L.R.217-06-2 dated the 3rd December 1907. Sir,

Referring to Government Order No. Rl.833-Inam.342-11-7 dated 28th October 1914 calling for information on some points regarding the recovery of arrears due from the ryots of Veeranadu Inam village, Tumkur Taluk, I have the honour to state as follows:-

2. The arrears as for 6 years from 1901-02 to 1906-07 previous to the assumption of the management of the village by Government is Rs. 414-13-11. Out of this amount, a sum of Rs. 93-4-11 seems to have been collected by the then village officials, the truth of which is under investigation. The arrears are based upon the accounts (Jamabandi and Thirdi) kept by the then Shanbhogue of this village in a most indifferent manner. The records do not disclose whether any coercive measures have been adopted for their recovery by the then Manager of the village. We had no commission to do so.

3. As observed in para 5 of the Government review No. R.12155-/R.R.40-13-2 dated 22 March 1913 the Government are not responsible for the recovery of arrears due previous to the assumption of charge by Government. Such arrears will have to be remitted now. The connected vernacular records are herewith respectfully submitted.
